- Tea Pea Cafe, 1st Jan 2017 - 2nd Feb 2017
- Worked as software development intern, assisted a team of 3 members, to develop software for Tea Pea Cafe.

EXTRA CURRICULAR ACTIVITIES

1. **CINEMATOGRAPHY**

- Cinematography is one of my greatest passion. I try to connect people by making videos with soul. Whenever I travel, I make sure that I capture videos that I can edit create montage out of it. I have a channel named 'Cinematique Shots' on YouTube. For more information on this please visit my 'Cinematography' tab.

2. **PHOTOGRAPHY**

- Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever. It remembers little things, long after you have forgotten everything. I love capturing photos of people, places etc. A dedicated tab on 'Photography' is coming soon on my website. Stay tuned for that.

3. **OTHER HOBBIES**

- I love to play football and cricket. I love to workout in the gym. I love collecting coins of different countries, I have a huge collection of coins of various countries. Other then this, I like swimming and table tennis.
